1956

CLASS OFFICERS: *First Row:* Secretary, Mary Lou Gillison; Vice-President, Sandey Soble; President, Rod Simonsen. *Second Row:* Sgt.-at-Arms, Bill Lambert; Treasurer, Phyllis Ireland; Sgt.-at-Arms, Joe Teresi.

The story of the Class of 1956 begins back in the fall of 1952 when they were but lowly freshmen. They started out with the traditional "Freshie Frolic" presented by the senior class. King Lee Knight and Queen Shirley McDonald reigned over the affair. During their sophomore year Joan Crane was crowned queen of the annual Rhododendron Show, and in their junior year Carole Jones was queen. As a junior, Hugh Springer was an outstanding member of the Varsity Basketball Team. Marge Willits broke a state record for the back-stroke in swimming. Ralph Kester and Hugh Springer made all-city teams in football and basketball, respectively. Phyllis Ireland, Lucy Latham, and Rod Simonsen were Cleveland's representatives to Europe under the American Field Service Program.

The class of 1956 will long be remembered because of the many traditions that it has started. These include the Junior Prom, Senior Girls' Potluck, and "Toyland Tumble." The first annual Junior Prom "Ebb Tide," which was held by the class in the spring of 1955, was a terrific success. Through the female class officers, a Senior Girls' Potluck was initiated. Everyone had a good time and full stomachs. The senior class held a Christmas dance, "Toyland Tumble." Admission was two toys per couple to help the Toy and Joy-makers.

The annual "Freshie Frolic" was presented by the senior class with the outstanding attraction being the senior boys' ballet. Their Senior Class Play was a mystery farce entitled Ramshackle Inn. The Senior Class of 1956 bids farewell to Cleveland High School as they journey into the world.

English surely *must* be interesting

Non-English Speaking Class

The Non-English Speaking Class is a special class for non-English speaking students of high school age who have come from foreign countries and need help in learning to speak, read, write and understand English. Those countries represented are Japan, Greece, Germany, Tunisia, Yugoslavia, Guatemala, Argentina, China, Lebanon, Italy, and Ukraine. The big feature of the year is their Christmas party in which they invite various guests. Some students distinguishing themselves in this class were Junior Mayeda, who was a member of the Judo team which went to Vancouver, B.C., and James Nigo, a Junior who both went to Seattle. Phillip Bonfilio received a letter for track, and Maria Perez was a representative from the International Club to the I. R. L. conference.

FRESHMAN CLASS

Class Officers

Secretary Linda Simonsen, Treasurer Dave Long, Sergeant-at-Arms John Morrison, Vice President Richard Warrick, and President Reece Bader.

The embryos, namely the Freshman, have already made themselves an asset to Cleveland. Two of the most unforgettable events of the year would undoubtedly be the "Freshie Frolic," given in their honor by the Senior Class and the Freshman party. Distinguishing themselves individually was Walter Evans, who played with the All City Orchestra and Milton Fyre, who captured the city championship in wrestling.

Rebuilt Squad Captures Third

The 1955 edition of the Cleveland gridiron machine moved to a 3rd place finish in the PIL football campaign. Coach Hub Shovlin had few holdovers from last year's senior dominated squad, necessitating a considerable rebuilding job. The success of this task can be easily seen in that won-lost column; Cleveland winning four of their last five games. Seniors, Rod Simonsen, Jerry Halverson, Ralph Kester, Dave Graham, Dean Padrick, Bill Lambert, Al Varnes, Roger Weidner, Joe Teresi, Bert Doane, Chris Welsh, Dick Reilly, Lee Knight, Dave Smith, Gordon Westphal, Don Thompson, and Vern Jones contributed much to the success of this year's season and they will be surely missed when the leaves turn brown next fall.

Named to All City honors were Ralph Kester at guard and Rod Simonsen in the back field.

Receiving valuable experience on this year's team were such starters as Bob Coblens, Dave Voll, Jay Maxwell and Doug Bashor, which portends a strong squad for next year.

There Will Come A Day

The Cleveland Indians have practically a new team with a new coach and only three boys returning from last year's squad: Hugh Springer, Vern Jones, and Rod Simonsen. In pre-season the tribe was successful in winning two games out of eight. Cleveland has never before beaten Medford, and that win can be classed as an upset.

Coach Bob McCullough's "shorties" were always in there trying but only were able to capture two games to finish in sixth place in the Portland Inter-scholastic League. The tribe put a scare into most of the teams they played.

BASKETBALL

First Row: John Dippold, Ed Watson, Bob Coblens.
Second Row: Dave Voll, John Dunkin, Jerry Halverson, Tom Braden.

In the individual scoring only five boys marked the PIL record with fifty or more points. Hugh Springer, 223; Dave Roark, 120; Vern Jones, 87; John Dunkin, 52; and Tom Ballen, 50 points. Others are: Ed Watson, 46; Jerry Jones, 43; Bob Coblens, 29; Dave Voll, 23; Tom Braden, 22; John Dippold, 20; Joe Demarinis, 17; and Jerry Halverson, 11 points.

The seniors graduating from the team are: Vern Jones, Hugh Springer, John Dunkin, Jerry Halverson, and Rod Simonsen. The rest of the squad consisted of seven juniors and three sophomores.

Second row: Bill Love, Mike Vidos, Gary Bishop, Dan Mitola, Ed Watson, Al Varnes, John Dunkin, Hugh Springer, Mike Crabtree, Morley Fletcher, Don Bighouse, Leon Barnwell, Steve Breckheimer, Roy Nielsen, (Mgr.).

This year's Cleveland Baseball Team was coached by Jack Dunn, who is an outfielder for the Salem Senators. The Indians had a very successful pre-season record in winning five out of seven games. So far the season record has not been too successful but our team has exhibited good spirit and all games have been close. The batting has been a little weak but two boys are among the leaders in the PIL batting record. They are Vern Jones and Mike Vidos.

There are eleven returning lettermen with only one regular, Vern Jones. The squad consists of nine seniors and eleven juniors. The seniors that will be hearing "batter up" for the last time in high school are: Vern Jones, Hugh Springer, John Dunkin, Dave Graham, Walt Grebe, Al Varnes, Dale Bechtold, Lee Knight, and Dave Smith.

Girls' Swimming Team Champs Again!

The Cleveland aqua-maids took their second State Championship trophy in a row this year. Defeating runner-up Grant by 30 points. The all conquering girls team, coached by Mrs. Barbara Sloop, has not tasted defeat in the past two years.

Top point getters for Cleveland this year have been, Lorna Trambly, Bonnie Boyd, Marge Willits, Judy Martin, and Barbara Huffschtmidt. Marge Willits is the only graduating senior.

In the state meet Marge Willits took a first place in the 50 yd. backstroke, Judy Martin won first place in the 150 yd. individual medley. Lorna Trambly took first in the 100 yd. backstroke, and Elaine Bailey took a first in the 50 yd. free-style. The girls relay teams took first places in both the medley and novice class.

David Boyd, the only boy turned out for boys swimming, received his JV letter after scoring points in general meets.

The Cleveland High School P.T.A. under the leadership of Mrs. E. A. Buckhorn, has enjoyed a successful year centered around the theme "This is Our High School." The programs have been varied, but each has included student participation. Their projects for this year include a dinner and Open House in October and four meetings each on separate class levels. In addition, they were able to contribute a full tuition scholarship to an outstanding student interested in elementary teaching and two scholarships to deserving Cleveland seniors.
